# NEW PRODUCT TRENDS

**Seaside Casual**

The DEX collection includes armless, left/right and club chairs with two styles of chat and side tables, both square and round.  
Booth 7-2018, 7-1022  
[seasidecasual.com](http://seasidecasual.com)

**Para Tempotest USA**

The Club collection offers a contemporary twist on classic design elements. From neutrals to jewel tones to iconic casual colors like Moss Green and Teal Blue, the collection can be both playful and subdued.  
Booth 7-5045  
[tempotestusa.com](http://tempotestusa.com)

**Outdura**

The love of blue has never been more evident than in this Tradewinds pattern, with rich, deep indigo accented with aqua, creating the new classic, Mystic Blue.  
Booth 7-7078  
[outdura.com](http://outdura.com)

**Beka Casting**

The XO chair by Beka Casting is a combination of cast and extruded aluminum with contemporary styling offering a more modern look.  
Booth 7-8082
