**H.** American Fyre Designs from **R H Peterson Co** combine the allure of fire with outdoor entertaining. The fireplaces and outdoor fire features turn a patio into a focal point and are constructed of GFEC to withstand the elements. Most units stack and bolt with a household wrench. Call (800) 332-3973, go to [www.rhpeterson.com](http://www.rhpeterson.com) or visit booth 7-5047.

**I.** **Modway Furniture** offers outdoor woven furniture in Espresso brown finish with powder-coated aluminum frames and Dacron poly-wrapped cushions. Call (908) 368-1025, go to [www.modwayfurniture.com](http://www.modwayfurniture.com) or visit booth 7-4093.

**J.** The Wild Flower collection from **Para Tempotest USA** has soft pastels and jewel tones in a variety of textures. The fabric resists fading from the sun and is bleach cleanable and stain resistant. Call (972) 512-3534, go to [www.tempotestusa.com](http://www.tempotestusa.com) or visit booth 7-4045.

**K.** Illuminate Your Life furniture from **Main Access** offers a variety of LED products including South Beach, a 38-in. table with tempered glass top and weighted base; Macau, an 18-in. barrel stool and The Block, a 16-in. seat. Batteries are not needed; a cord charges products for eight to 10 hours of illumination. Call (888) 333-1134, go to [www.gomainaccess.com](http://www.gomainaccess.com) or visit booth 7-1083.

**L.** **My Outdoor Rooms** prebuilds outdoor kitchen pergolas, fire pits and fireplaces. The custom space features a prebuilt fireplace installed in less than two hours, and a custom Cypress pavilion with Three Coins Cast Chairs and a My Outdoor Rooms cypress farm table. Call (334) 793-7086, go to [www.myoutdoorrooms.com](http://www.myoutdoorrooms.com) or visit booth 7-7050A.

**M.** **LiRO** features the Midi 60, a 132-pound mobile umbrella base that can be easily relocated. The base is zinc plated, powder-coated steel to withstand outdoor elements. The large, sealed bearing wheel assembly is non-marring to protect patio surfaces. Call (352) 536-4276, go to [www.LIRO.us](http://www.LIRO.us) or visit booth 7-1093.
