Valor H5

The V-Class burner system takes the Valor H5 to new heights with improved fires, realistic log sets, and radiant warmth. A diverse fireplace that blends distinct, high-quality materials with the latest in radiant and convective heat technology, the H5 caters to those seeking a modern flame appeal. The H5 offers three unique fuel beds: birch, traditional logs, and driftwood. The

built-in secondary heat exchanger naturally improves convective heat—removing the need for a fan. The V-Class burner will soon be available in the H6 fireplace! Contact: (800) 468-2567 or www.valorfireplaces.com.
