### New Fire Magic Electric Grill Series

The new Fire Magic Electric Grill series combines the luxury, performance, and durability Fire Magic is known for with innovative sustainable technology to deliver a premium electric grilling experience. Available in two sizes, the full-size, 240-volt, built-in unit boasts a large 31"x16" cooking surface with patented Diamond Sear cooking grids. With a preheat time of less than 15 minutes, the Fire Magic Electric Grill is powered by an advanced heat system featuring dual thermostatic control and a temperature range of up to 700°F for perfect searing. Crafted from 304 stainless steel and highlighted with a large ceramic glass window, the grill's sleek, black glass touch control panel with Bluetooth technology enables control from a smartphone. Available in Summer 2023. Contact: (800) 332-3973 or [www.firemagicgrills.com](http://www.firemagicgrills.com).
