Meijifocus

With its sliding glass panels, the Meijifocus allows the fire to be viewed in complete security, bringing it within reach of our living spaces. This four-sided, see-through style, natural vent wood fireplace evokes the clean open spaces of modern interiors and is now available in both wood-burning and gas options.

New Dawn Pergola

Don't let a lack of space dampen the ability to turn your yard into a mini retreat. These small pergolas are ideal for one to two people, or for use in smaller outdoor spaces. Constructed with the highest quality materials and craftsmanship, this pergola will make a nice addition to any home, deck, or yard, providing the ideal place to read a book, eat some barbecue, or just hang out while enjoying the summer sun. Solana

A distinctive knife-edge pleat on the front of the arms gives the Solana fully upholstered outdoor sofa a signature style. Accompanied by the faux bois elegance of the Cyprus side table and the Milos cocktail table, both with openwork "branches" supporting a glass-reinforced concrete top, the look is simultaneously soft, natural, and dramatic. Contact: (828) 758-9811 or www.bernhardt.com.

New Forest 75"

The New Forest 75" is the newest addition to British Fires' series of electric fireplaces. Designed with the trend-setter in mind—the 75"-wide fire will be the spotlight of large rooms and open-planned settings. It arrives with Signature Logs, patented Air Curtain Technology, and award-winning LED flame effects, which can be used without heating for pennies a day. Install it as fully inset, LH or RH cornered, or three-sided. Contact: (800) 468-2567 or www.britishfires.ca.
