Air Canopy From Soli

SOLI's Air Canopy is an innovative, portable shade canopy that self-inflates in two minutes. The SOLI Air Canopy is lightweight (17 pounds), roughly half the weight of traditional canopies. The 10' x 10' x 8' canopy protects consumers from the elements, blocking 98% of the sun's rays (UVA and UVB), while also being water resistant. The aerodynamic-designed SOLI Air Canopy is durable in the wind and comes with eight ground stakes and four tether ropes. Each canopy includes one SOLI Shade Wall, a rechargeable air pump, and a backpack. It is available in Ultra Marine Blue, Heat Wave Orange, Sage, and Carbon Grey. Contact: www.solioutdoors.com.
