ROBAX NightFlame

SCHOTT ROBAX NightFlame is a cutting-edge glass-ceramic designed for fireplaces. Featuring enhanced heat resistance and exceptional clarity, the semi-transparent black glass-ceramic conceals ash and soot when the fire is not lit. When flames ignite, the glass appears transparent, offering a natural fire experience. NightFlame's award-winning, dual-mode glass and robust composition ensures durability and safety, making it an ideal choice for modern, stylish, and efficient heating solutions.
