## New Capstone Collection

Tempotest Home, a leading manufacturer of premium outdoor fabrics, announces the launch of its latest collection, Capstone. As a crowning luxury collection, it showcases fabrics woven with premium, long-staple solution-dyed acrylic fibers, which are suitable for outdoor performance but given their incredible softness, can easily be used for interior design. The incredible performance and elegant design can elevate and enhance the livability of your home. Contact: [www.tempotestusa.com](http://www.tempotestusa.com).

## ROBAX NightFlame

SCHOTT ROBAX NightFlame is a cutting-edge glass-ceramic designed for fireplaces. Featuring enhanced heat resistance and exceptional clarity, the semi-transparent black glass-ceramic conceals ash and soot when the fire is not lit. When flames ignite, the glass appears transparent, offering a natural fire experience. NightFlame's award-winning, dual-mode glass and robust composition ensures durability and safety, making it an ideal choice for modern, stylish, and efficient heating solutions. Contact: (914) 831-2200 or [www.schott.com](http://www.schott.com).

## L2 Tall Linear Fireplace

The majestic LT2 is longer than the LT1, and taller and deeper than any other Valor linear fireplace. The new V-Class logs are especially engineered for the LT2. Install with your choice of the Clean Install kit or the Adjustable Finishing trim. The LT2 packs an enormous amount of radiant heat, so Heat-Shift is required. With great room appeal, this tall fireplace lights up—and heats up—any room. The Valor 10 remote easily controls the fire's temperature and lighting, and pairs with the Valor 10 App for control with your smartphone. Contact: [www.valorfireplaces.com/gas-fireplaces/lt2.php](http://www.valorfireplaces.com/gas-fireplaces/lt2.php).

## Shaker Outdoor Grill

A high style product made of durable corten steel, the Shaker Outdoor Grill from Wittus. Produced in Poland and designed in Norway by Espe-gard, the firebox has an inner chamber designed to conduct the heat evenly, which keeps the outside of the grill warm to the touch. The smart air supply function helps the fire burn clean. The stove comes equipped with a stainless-steel grill rack, a protective fire screen, and a stove pipe with a ventilated chimney cap for smoke control.
