Chesapeake Rectangular Table and Chairs

In the Chesapeake Rectangular Dining Table, concentric rectangles, both exacting and mesmerizing, form the table top in Grade A natural teak. Side chairs feature a striking all-weather woven beige wicker accent on the back for added texture. Seat cushions can be covered in one of more than 500 in-house fabrics or COM. Cushions employ reticulated foam for drainage. Contact: www.universalfurniture.com.

New! Pasadena Collection

This innovative collection from Revolution Fabrics transitions patterns typically reserved for indoor spaces into the realm of outdoor design. The collection features 16 patterns across 45 SKUs. Engineered to meet contract-grade standards, the fabrics boast impressive double-rub counts ranging from 30,000 to over 100,000. Supported by a five-year warranty, these fabrics are a testament to lasting quality, and they showcase superior fade resistance and bleach cleanability while embodying a commitment to ecological responsibility. With the esteemed GREENGUARD Certification, each piece masterfully balances environmental mindfulness with aesthetic appeal. Contact: (704) 739-4503 or www.revolutionfabrics.com.
