Legend G3.5 Insert – Coming Soon

The new G3.5 steel burner engines are now equipped with the V-Class burner, which incorporates the popular H3 fires—including birch, driftwood, and traditional logs. With over two decades of design innovation and four generations of gas insert DNA, it is no surprise that the G3.5 insert exudes radiance, high efficiency, and the ultimate in comfort control. Contact: (800) 468-2567 or <https://valorfireplaces.com/g35>.

American Fyre Designs Iron Saddle Firetable

The new American Fyre Designs Iron Saddle Firetable

brings a rugged, industrial design to the outdoor room. Crafted in the USA from glass fiber reinforced concrete (GFRC), the Iron Saddle Firetable is highlighted with heavy gauge steel straps in a weathered brown powder-coated finish. Measuring 17"H x 36" W x 60" L, the table houses a 60,000 BTU linear burner, manual flame-sensing controls, and is available in several GFRC finish options. Tempotest Home Fifty-Four Collection-Volume II

Parà S.p.a and its U.S. subsidiary, Tempotest USA, have introduced their latest collection of solution-dyed acrylic fabrics. Building

upon the success of the Tempotest Home Fifty-Four, they have added Volume II to the collection. The new collection builds upon the up the roll stripes of the first collection and adds three new jacquards in four colorways, along with a new ottoman stripe that is receiving rave reviews. Fully stocked in the U.S. for immediate shipments from Tempotest USA in Carrollton, Texas, these new additions are Teflon treated and come with Tempotest's best in the industry 6-year warranty. Contact: (972) 512-3534 or www.tempotestusa.com.

Tempotest StarScreen

Tempotest USA has introduced a new screen fabric, StarScreen, that provides shade and privacy—and absorbs up to 97% of the heat caused by solar radiation—while allowing for the passage of light. The 11 designer colors add to the beauty of any structure and can be used indoors or outdoors. Made from recyclable PET solution-dyed yarns, the fabric is PVC free and fire retardant. It is fade resistant and is treated with Teflon for easy cleaning. Contact: (972) 512-3534 or www.tempotestusa.com.

Legend G4 Insert

Upgraded for 2020, the G4 insert now offers a number of improvements, including the new V-Class burner, 3 new log sets, and craftsman fronts. The G4 is designed to fit existing large fireplace openings without sacrificing performance. The result is an impressive flame, highlighted by proportional surrounds that complement, not overpower. Contact: (800) 468-2567 or <https://valorfireplaces.com/g4>.
