## Cibolo Collection

The Cibolo collection from OW Lee offers the relaxed summer comfort of an Adirondack chair, with the iconic turn-of-the-century sophistication inspired by Gustav Stickley. A Modern-Americana de-

sign with a distinctly rustic appeal, the Cibolo collection is available in lounge chair, love seat, sofa, side table, and occasional table, and it features plush comfort cushions and the Sytex seating system. Unique to this collection, Cibolo also features an 18" round stool/ottoman and 36" round ottoman.

## Countertop Table

The new Countertop Table from Danver Outdoor Kitchens presents a versatile solution for any space. Designed by architect, designer, and Danver Creative Director Daniel Germani, the Table is equipped with under-table storage and optional, hidden induction cooking capabilities. This latest release can function as a kitchen island and/or workspace in outdoor kitchen areas. The induction, produced by In-visaCook, provides a cooking solution for small spaces or where a grill may not be practical. ## Tempotest USA

In addition to one of the most extensive and stylish collections of woven solution-dyed fabrics in the world, Para Tempotest also offers digitally printed outdoor PET fabrics. These bright and vibrant prints are offered in four base cloths: canvas, shantung slub, basketweave, and a base that passes FR standards including NFPA 701 and IMO standards.

These are printed to order and can be colored to suit your customers' needs for a modest 40-yard minimum! Contact: [\(972\) 512-3534](tel:9725123534) or [www.tempotestusa.com](http://www.tempotestusa.com).
