Gemütlichkeit

A new brochure from Spartherm shows how its beautiful fireplaces add Gemütlichkeit to customers' homes. The Merriam-Webster dictionary defines this typical German word as "warm cordiality." As a German-based company, Spartherm views it more as "coziness." Gemütlichkeit prescribes the feeling

of warmth, security, and cocooning in your home around a relaxing fireplace. Check out Spartherm's fully EPA-tested units and order them now. Contact: Powrmatic Toronto at (905) 660-0033, toronto@powrmatic.ca, or contact Jeromy at: (647) 221-0510.

Revolution Performance Fabrics

Revolution has taken on the challenge of reimagining outdoor fabrics and adapting them to the new lifestyles desired by the consumer. STI has had tremendous success with its Revolution brand of performance fabrics and has become the top source in America of residential performance upholstery fabric. The success of the brand led to a natural progression for STI to branch into outdoor upholstery. Design challenged engineering to figure out a way to create luxurious new outdoor bouclés, which have 3,000 hours of light fastness and great cleanability. This season's launch covers emerging trends in home furnishings with several new collections. Contact: (704) 739-4503 or www.revolutionfabrics.com.

Tempotest StarScreen

Tempotest USA has introduced a new screen fabric, StarScreen, that provides shade and privacy—and absorbs up to 97% of the heat

caused by solar radiation—while allowing for the passage of light. The 11 designer colors add to the beauty of any structure and can be used indoors or outdoors. Made from recyclable PET solution-dyed yarns, the fabric is PVC free and fire retardant. It is fade resistant and is treated with Teflon for easy cleaning. Contact: (972) 512-3534 or www.tempotestusa.com.
